

TTP-ABC-MOEBA

INTRODUCTION TO BEEKEEPING

Interested in learning about honey bees and beekeeping? Join us this spring and summer for an introduction to beekeeping course that includes:

- OBA's Introduction to Beekeeping online course
- The Ontario Beekeeping Manual
- 4 in-person classroom hours
- 4 instructional hours in the beeyard
- Networking with local beekeepers and the OBA Technology Transfer Program
- Certificate upon completion

You will be enrolled in the online course following registration. The online portion is self-paced and can be completed independently.

The classroom portion will be held on May 23rd from 9am-1pm at Ferguson's Apiary in Hensall

You can choose to attend either field day:
May 30th in Oxford/Middlesex county
June 6th in Huron county

Total cost is \$250. Register at:
<https://square.link/u/Y9yFCQ18>

Brought to you by the Ontario Beekeepers' Association Technology Transfer Program, the Ausable Bee Club, and the Middlesex, Oxford, Elgin Beekeepers' Association.
